

Waalhaven Douane Service B.V.

- Waalhaven West Zijde 62, 3089 KR Rotterdam
- Holtum Noordweg 9, 6121 RE Born, Limburg

Activities

- **Your independent partner for all Customs formalities**

Waalhaven Douane Service B.V. (WDS) is an independent provider of Customs services in The Netherlands. Besides that WDS also takes care of all Waalhaven Group's terminal related Customs matters.

WDS is located in Rotterdam (Botlek and Waalhaven), and Born (Limburg).

Over the last few years, WDS has developed itself into a reliable partner for various clients, not only in container logistics, but also in logistics by air- and road transport.

As a specialized Customs broker, WDS handles the complete flow of daily Customs formalities with regard to the flow of goods. With our practical attitude, we strive for direct contact lines, quick response, personal involvement and a streamlined and automated interchange of information with terminals, clients and the Customs authorities.
